**The nationwide Level 3 epidemic alert will be extended to June 28, AEA has adopted relevant measures in response to the said change**

On June 7, 2021, in order to respond the announcement extending the nationwide Level 3 epidemic alert to June 28 issued by CECCC, AEA restates that the fines for the cases of violations against the home quarantine regulations, business suspensions or gathering regulations will be enforced actively, and AEA also ordered the branches to take the following measures to implement the epidemic prevention policies of the government:

1. Giving priority to the enforcement of the cases of epidemic regulation violations.
2. The on-site report dates of other enforcement cases shall all be postponed until the expiration of the Level 3 epidemic alert. If the obligor has financial difficulties to pay the fine in a lump sum payment during the epidemic prevention period, the branches shall implement a lenient enforcement measure or provide care referral services to help the obligor to get through the tough period.
