November Joint Auction Kicks Off “Double 11” 5 Against and 7 Safety Auction Set to Ignite with Excitement Millions in USDT (Tether), Kilos of Gold, Luxury Cars, and Real Estate Up for Bidding

Yesterday (November 4), the various branches of the Administrative Enforcement Agency (AEA), Ministry of Justice, simultaneously held the nationwide November “First Tuesday Joint Auction,” which takes place on the “first” “Tuesday” of every month, starting at “3” p.m. The auction items covered land, buildings, gold, vehicles, and various practical goods, attracting many participants to attend and bid in person. The total amount at the conclusion of the auctions reached NT\$994,499, serving as a successful prelude to the upcoming nationwide “5 Against and 7 Safety” Joint Auction to be held on Double 11 (November 11). In recent years, the auction activities organized by the branches have not only helped realize public law claims and effectively implement the spirit of the new criminal confiscation system, demonstrating the effectiveness of administrative

enforcement authorities in exercising public power, but have also provided the public with a fair and transparent channel to easily acquire valuable assets at reasonable prices. Although today's joint auction served as a "warm-up stage," many attendees eagerly expressed their eagerness to "wait for the Double 11 Joint Auction," showing that the "'first" "Tuesday" of every month, starting at "3" p.m." has successfully set the stage for next week's nationwide "5 Against and 7 Safety" Joint Auction.

To implement the Executive Yuan's "5 Against and 7 Safety" policy (5 Against: organized crime, corruption, firearms, drugs, and fraud; 7 Safety: public security, food safety, traffic safety, workplace safety, campus safety, residential safety, and information security), the AEA and its branches have not only strengthened the seizure of assets available for enforcement from obligors but have also actively assisted prosecutorial authorities in auctioning seized and confiscated properties. Coinciding with Taiwan's most popular Double 11 shopping season, the AEA will hold the nationwide "5 Against and 7 Safety" Joint Auction on November 11, 2025 (Tuesday) at 11 a.m., with participation from all 13 branches. This grand annual event invites the public to participate in an occasion that combines justice with great deals. This year's Double 11 auction is packed with highlights, **including** over one million units of Tether and 1,712 tael of gold bars, bringing international attention to the event. Large-scale equipment such as a civil aircraft, fishing vessels, excavators, and tractors will attract strong interest from investors, while more than 60

vehicles—including Porsche, Mercedes-Benz, and BMW models—and nearly 600 real estate properties offer a wide selection, ranging from luxury items to everyday essentials. Whether looking for investment opportunities or practical goods for daily life, the public is sure to find their ideal items at this auction. Some of the auction items were properties entrusted by prosecutorial authorities for sale. The successful conclusion of these auctions not only implements the spirit of the new criminal confiscation system but also helps compensate victims of crime, fully embodying the Ministry of Justice’s dual policy of “strictly combating crime” while “protecting the rights and interests of victims.”

This year’s Double 11 “5 Against and 7 Safety” Joint Auction is themed “Prosecutorial–Enforcement Alliance: Safeguarding Justice,” showcasing the strong enforcement synergy achieved through cross-agency cooperation between prosecutorial authorities and administrative enforcement authorities. It demonstrates the government’s firm determination to implement the “5 Against and 7 Safety” policy. The event symbolizes the joint efforts of prosecutors and enforcement officers in combating crime and confiscating illicit gains—turning each auction not only into a sale of assets but also a realization of social justice. The AEA sincerely invites the public to join this grand event—“bid for great deals and share in the spirit of justice.” For more information, please visit the AEA official website (<http://www.tpk.moj.gov.tw>) or follow the websites and Facebook pages of individual branches to get the latest updates on auction items. On Double 11, set your sights

on your favorite items—let's bid for justice and a better life together!

At the request of the Taoyuan District Prosecutors Office, the Taoyuan Branch auctioned five gold bars, each weighing 1 tael, which had been seized in connection with a fraud case. On November 4, 2025, the total amount at the conclusion of the auction reached NT\$788,500.
